

MODEL 412-3PC

Rising Dough Pizza Oven

This oven was designed expressly for baking rising dough pizzas. This counter top oven has dual position elements which are designed to cook quickly and consistently with no preheating required. Prepare anything you would normally cook in your toaster oven including garlic and cheese breads, egg rolls, bagels, and other food items of a non-greasy nature.

The outer housing and grill front are made from brushed stainless steel. The inner housing and other parts of the oven are made from galvanized and/or aluminized steel for corrosion protection.

FEATURES:

- Opening: 3" x 13"
- Removable clean out tray
- Preset Thermostat (approximately 450° F)
- Mechanical 15 minute timer
- Long life calrod heating elements
- Flip up handle design for easier storage
- Bakes (1) 12" Rising dough crust pizza in approximately 12 minutes. Some "super-rise" doughs require additional time.
