

MODEL 412-5-NCT

This oven was designed for baking thin, original crust frozen pizzas. This commercial quality countertop oven has dual position elements which are designed to cook quickly and consistently with no preheating required. Prepare anything you would normally cook in your toaster oven including garlic and cheese breads, egg rolls, bagels, and other food items of a non-greasy nature.

The outer housing and grill front are made of 22 gauge brushed 430 stainless steel. The inner housing and other parts of the oven are made from aluminized steel for corrosion protection.
