

CUSTOMIZATION REQUIREMENTS

Many of our warmers and merchandisers can be customized to your identity and decor. Your store logo or convenience food brand name can be added to your Wisco Industries equipment. Consistent use of your image reinforces your brand identity and helps spur more impulse sales. We have developed effective custom merchandising programs for many customers. Please contact a representative for a custom model designation.

Wisco Industries will apply/insert customer supplied graphics/decals at no charge when supplied by you, the customer. Contact a representative for templates detailing dimensions and graphic areas. We can also create a custom order form for your customers.

Below are guidelines for providing Wisco Industries, Inc. with decals and graphics.
