How Our Story Began

Keep your heart free from hate, your mind from worry. Live simply, expect little, do much. Fill your life with love, scatter sunshine, forget self, think of others and do as you would be done by. It is the key to happiness. Try it for a week and you will be surprised.

– Norman Vincent Peale

Elving Kjellstrom
1992 - 2012

Elving Kjellstrom is the founder of Wisco Industries, Inc. He came to Oregon, WI after serving in the Army Air Corps in World War II. Elving was planning on attending the University of Wisconsin to get a degree in mechanical engineering when he found a building to lease in Oregon where he opened a tool and die shop. Wisconsin Mold and Tool Co., Inc. was officially incorporated in May 1949. For most of the first 20 years Mr. Kjellstrom got involved with various ventures including making candle holders, TV trays, mouse traps, a boat release for life boats for the Navy, as well as metal stampings and weldments for original equipment manufacturers.

It was around 1968 when he was approached by a WI based entrepreneur who was getting into the frozen pizza business. This got the company involved with manufacturing pizza ovens which eventually launched the company into a more diversified platform which prompted the company in September of 1969 to change its name from Wisconsin Mold and Tool Co., Inc. to Wisco Industries, Inc.

Expansion of sales and marketing efforts in both the Metal Stamping end of the business and the Food Equipment market has let to growth of the family owned and operated company that you see today.

Pizza Ovens and Convection Ovens

QUALITY

Model 421 Pizza/Multi-Purpose Oven

Features:

- Can accommodate pizzas up to 12"
- Removable clean-out tray
- LED display
- Adjustable thermostat 150°F–500°F in 25°F increments
- 30-minute digital display timer
- Quick one-touch setting of 450°F for 10 minutes
- Long-life calrod heating elements
- Flip-up handle design for easier storage
- "Formed" tray to prevent food products from sliding off back of tray

Electrical Data:

- 120 volts, 12.5 amps, 1500 watts

Dimensions:

- 15"L x 18"W x 7-3/4"H
Internal dimensions: 13" x 13" x 3"
Opening: 3" x 13"

Model 561A Deluxe Pizza Oven

Features:

- Can accommodate pizzas up to 16"
- Removable clean-out tray
- LED Display
- Adjustable Thermostat 150°F–650°F in 25° increments
- 30 minute digital display time with "Hold" option
- Quick one-touch setting with time and temperature memory
- Long life calrod heating elements
- Attractive stainless steel outer housing
- Insulated
- Flip up handle design for easier storage

Electrical Data:

- 120 volts, 14.2 amps, 1700 watts

Dimensions:

- 19-1/2"L x 23-5/8"W x 10-1/4"H
2-7/8" x 17-1/2" door opening
Grill/Rack dimension: 17" x 17"

Model 520 Cookie Oven/Convection Oven

Features:

- High speed fan for even air distribution
- Temperatures ranging from 100°F–350°F
- Stainless steel outer construction
- Removable door and rack slides for easy cleaning
- Unit comes with (3) customized 14-1/2" x 10" aluminum baking trays. These are slightly larger than a standard 1/4 size pan to allow for more cookies.
- (12)1.0 oz or (9)1.5 oz cookie pucks per tray
- Portable, magnetic digital timer (1) AAA battery required; not included

Able to accommodate (3) standard 1/4 size sheet pans (not included)

Available Accessories:

- Cooling rack (#0022840CR)
- Boxed set of (3) aluminum baking trays (#00520PS3)
- 500 sheets parchment paper (#0022847)
- Portable, magnetic digital timer (#0022845) (1) AAA battery required; not included

Electrical Data:

- 120 volts, 11.25 amps, 1350 watts

Dimensions:

- 20"L x 17-1/2"W x 9"H
Inside Dimensions: 10"W x 15-1/2"D x 7"H

Model 621 1/4 Size Convection Oven

Features:

- Quick, easy 3 step bake process with multiple programmable presets
- Precise temperature and adjustable time control
- High speed fan for even air distribution
- Baking temperatures ranging from 150°F–500°F
- Stainless steel construction
- Insulated, double wall construction
- Removable door and rack supports for easy cleaning
- Unit comes with (3) Wire Racks and (3) 13½" x 10" Aluminum Baking Trays
- Will accommodate most 9" x 13" pans depending on the height and style of the lip/rim

Able to accommodate (3) standard 1/4 size sheet pans (not included)

Available Accessories:

- 00620PS3 - 3 Aluminum Baking Trays Boxed Set
- 0022693 - 500 Count Parchment Paper
- 0022694 - 1000 Count Parchment Paper
- 0022840CR - Cooling Rack Kit

Electrical Data:

- 120 volts, 10.9 amps, 1300 watts

Dimensions:

- 19"W x 18"D x 14-1/4"H
Inside Dimensions: 13-1/2"W x 10"D x 8-1/2"H

Food Warmers and Merchandisers

VERSATILITY

**Models 690-16 Food Warming/
Merchandising Cabinet**

Features:

- Acrylic display
- Adjustable thermostat
- Temperatures from 80°F to above 150°F
- Stainless steel corners and base
- 2 door “self-serve” option available
- Additional shelves (#0016388) available
- Available as single door or 2 door pass through unit
- Total height of available shelf space: 14”
- Unit comes with 2 shelves

Electrical Data:

- 120 volts, 5.3 amps, 640 watts

Dimensions:

- 18”L x 18”W x 25”H

**Models 690-25 Food Warming/
Merchandising Cabinet**

Features:

- Acrylic display
- Adjustable thermostat
- Temperatures from 80°F to above 150°F
- Stainless steel corners and base
- 2 door “self-serve” option available
- Additional shelves (#0016388) available
- Available as single door or 2 door pass through unit
- Total height of available shelf space: 23”
- Unit comes with 4 shelves

Electrical Data:

- 120 volts, 5.3 amps, 640 watts

Dimensions:

- 18”L x 18”W x 34”H

There is a Wisco oven or warmer for thin-crust pizzas, thick-crust pizzas, self-rising pizzas, sandwiches, pitas, tacos, burritos, hot dogs, nachos, cookies, cakes, muffins, biscuits, croissants, doughnuts, bagels, buns, rolls, poppers, cheese sticks, potatoes, meatless entrees and veggies. Whenever a new convenience food product appears, chances are Wisco will have an oven or warmer ideal for its preparation.

Food Warmers and Merchandisers

PRESENTATION

**Model 695 Food Warming/
Merchandising Cabinet**

Features:

- Humidified Unit
- “Ready To Go” pizza graphic panels on Model 695
- Humidified Unit
- Indicator lights show when water tank is empty/full
- Glass panels and display floor remove for easy cleaning
- Adjustable thermostat
- Temperatures from 80°F to above 150°F
- 2 Door “self-serve” option available
- Rotating racks accommodate up to a 16” pizza
- Available in black also

Electrical Data:

- 120 volts, 8.9 amps, 1070 watts

Dimensions:

- 18-1/2”L x 18-1/2”W x 32”H

**Model 695-S Food Warming/
Merchandising Cabinet**

Features:

- Humidified Unit
- “Ready To Go” graphic panels on Model 695-S
- Humidified Unit
- Indicator lights show when water tank is empty/full
- Glass panels and display floor remove for easy cleaning
- Adjustable thermostat
- Temperatures from 80°F to above 150°F
- 2 Door “self-serve” option available
- Includes (4) shelves
- Total height of adjustable shelf space: 21”
- Adjustable shelves accommodate up to a 14” pizza
- Additional shelves available (#0018630)
- Available in black also

Electrical Data:

- 120 volts, 8.5 amps, 1020 watts

Dimensions:

- 18-1/2”L x 18-1/2”W x 32”H

**Model 925W Food Warming/
Merchandising Cabinet**

Features:

- Non-Humidified Unit
- Glass and stainless steel construction
- Adjustable thermostat
- Temperatures from 80°F to above 150° F
- Comes standard with 4 adjustable shelves
- Total height of available shelf space is 21”
- Additional shelves available (#0018630)

Electrical Data:

- 120 volts, 7.9 amps, 946 watts

Dimensions:

- 18-3/4”L x 18-3/4”W x 29-1/2”H

**Models 282-24/282-R Food
Warming/Merchandising Cabinets**

Features:

- Thermostatically controlled heated shelf and base plate
- Adjustable thermostat for precise temperature control
- Temperature range to above 150°F
- Illuminated to showcase product on both heated surfaces
- (2) 2”x24” display channels that allow you to slide in custom graphics
- Sturdy, durable stainless steel construction
- Slanted shelf/base units available that have the top shelf angled down 6° in front: 282-24-S or 282-24-SR

Available Accessories:

- Flat grill racks (#0022542)
- 8” Aluminum product trays (#0022591)
- 3-7/8” Aluminum product trays (#0022520)
- Divider bars (#0022521)
- Sign holder (#0022523)

Electrical Data:

- 120 volts, 12.5 amps, 1500 watts

Dimensions:

- Outside: 25”L x 18”W x 20-1/2”H
Inside: Base - 24”L x 17”W; Shelf - 24”L x 17”W

Food Warmers and Merchandisers

DEPENDABILITY

Wisco ovens and merchandisers are engineered and manufactured for high-volume usage. Our ovens and warmers perform dependably under the most difficult conditions. Around-the-clock use. Multiple operators. Self-service food merchandising. You name it, Wisco's done it. And succeeded.

**Model 791A Food Warming/
Merchandising Cabinet**

Features:

- “Ready To Go” graphic
- Includes 1.25” channel graphics: **HOT, FRESH, DELICIOUS**
- Heated, forced air
- Overhead and rear LED illumination
- Single rear door for product stocking
- Single front door for product removal
- 3 - 9” x 11” Racks
- 4-1/4” spacing between racks
- Temperature range 90°F to 175°F
- Adjustable digital temperature control

Electrical Data:

- 120 volts, 5.3 amps, 640 watts

Dimensions:

- 9-1/2”W x 16-3/4”D x 22-1/4”H

**Model 891A Food Warming/
Merchandising Cabinet**

Features:

- “Ready To Go” graphic
- Includes 1.5” channel graphics: **HOT, FRESH, DELICIOUS**
- Heated, forced air
- Overhead and rear LED illumination
- Double rear doors for product stocking
- Single front door for product removal
- 3 - 15” x 14-1/8” Racks
- 4-1/4” spacing between racks
- Temperature range 90°F to 175°F
- Adjustable digital temperature control

Electrical Data:

- 120 volts, 5.6 amps, 670 watts

Dimensions:

- 15-1/2”W x 17-1/8”D x 22-3/8”H

**Model 323HH Food Warming/
Merchandising Cabinet**

Features:

- Fully adjustable thermostat
- Temperatures from 80°F to 150°F
- Overhead illumination
- Lift-off door and removable side panels for easy cleaning
- Glass sides/Acrylic front & stainless steel construction
- 2 tier removable rack
14-7/8” x 12-1/2” & 11-5/8” x 12-1/2”
- 5-1/4” spacing between shelves

Electrical Data:

- 120 volts, 7.5 amps, 900 watts

Dimensions:

- 19-3/4”L x 15-1/16”W x 19”H

Accessories

CONVENIENCE

Model 630 Deli Wrapper

Features:

- INCLUDES ADAPTER DISC (#0016244) FOR 6" - 12" PIZZAS
- High watt density heating element shrink wraps pizzas in seconds
- Thermostatically controlled heating element provides controlled heat for continuous or intermittent operation
- (3) thumb screws remove protection shroud for cleaning
- Heat shroud and stainless steel clean-out tray add to ease of maintenance and cleanability
- Heat shroud reduces temperatures to prevent film sticking and provides extra measure of safety to prevent burns
- Adjustable pedestal accommodates various sizes of product for shrink wrapping

Available Accessories:

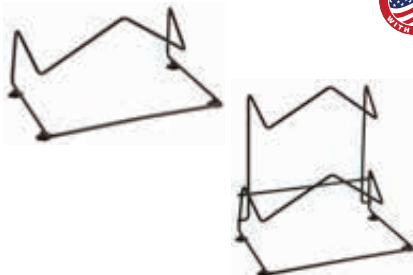

- 14" - 16" pizza adapter disc (#0016239)

Electrical Data:

- 120 volts, 12.5 amps, 1500 watts

Dimensions:

- 12"L x 12"W x 7"H with adjustable supporting surface
- 14" diameter protective shield

Model 650-BW 2 Tier Dispenser
Model 650-1-BW Single Tier Dispenser

Features:

- Model 650-BW: 2 tier dispenser
- Model 650-1-BW: Single tier dispenser

Model 220 Merchandising Cart

Features:

- Made from high density polyethylene recycled material
- Shelves and legs will not chip, warp, crack, rust or peel
- Dimensions: 18"L x 24"W x 34"H
- 3 shelves (12" clearance between shelves)
- 1/4" safety retaining lip on each shelf
- Raised texture surface to enhance product placement and ensure minimal sliding
- Heavy duty 4" swivel casters, two with locking brake
- 200 lb. weight capacity
- Great for placing merchandiser on top for space saving feature

Wisco ovens and warmers are convenient and easy to use. That's why Wisco food service equipment is preferred for both self-service and employee use. Operation is simple and intuitive. Food preparation steps are as easy as 1-2-3.
